Opulent Treasures, Inc., Ya Ya Creations, Inc. and Ya Ya Logistics, Inc. hereby submit the following Joint Stipulation to seal the previously filed letter of Carol Wilson, filed as Docket Number 131 in Case No. 2:22-cv-6137, on the basis that the letter is replete with highly confidential settlement discussions and trade secret information that was provided pursuant to a protective order.

For example, the entirety of page 3 of the letter is a detailed summary of several confidential settlement hearings between the parties. Page 3 lists confidential sales, profit and settlement offer information all of which were provided pursuant to a protective order and which need to be filed under seal to protect the parties. Sales and profit information is repeated on page 5 as well as references to a confidential expert report of Shelly Irvine. The report of Ms. Irvine was designated as confidential because the report relied on trade secret sales and profit information of Ya Ya Creations, Inc. that was produced as confidential pursuant to the protective order entered in consolidated case 2:22-cv-02616.

Accordingly, the parties jointly request that Docket Number 131 in Case No. 2:22-cv-6137 be removed from the public record and placed under seal.

Respectfully submitted:
